REVIEWED BY: Governing Body. This policy is reviewed every two years

Introduction

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also considers the DfE statutory guidance “Keeping Children Safe in Education” 2018 and ‘Sexual violence and sexual harassment between children in schools and colleges’ guidance. The setting has also read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools” and DfE research into antibullying practices:

www.gov.uk/government/publications/approaches-to-preventing-andtackling-bullying

1) Policy Intent

This Policy outlines Eaton Bray Academy’s procedures for preventing and tackling all forms of bullying

Eaton Bray Academy is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2) Policy Objectives:

- All governors, teaching and non-teaching staff, students and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school’s policy is on bullying and follow it when bullying is reported.
- All students and parents should know what the school’s policy is on bullying and what they should do if bullying arises.
- As a school we take bullying seriously. Students and parents should be assured that they will be supported when bullying is reported.

3) Definition of bullying

Bullying is the use of aggression with the intention of hurting another person either physically or emotionally, by intimidating or demeaning others. It is usually persistent and is often covert, and is a conscious attempt to hurt, threaten or frighten someone. Bullying results in pain and distress to the victim.

Bullying can be, but not limited to:

- Emotional: Derogatory name calling of an insulting and/or personal nature. Demanding money, material goods or favours by means of threat or force.
- Physical: Pushing, kicking, hitting, punching or any use of violence because of some perceived physical, economic, sexual, intellectual, cultural or racial difference.
- Racist: racial taunts, graffiti, gestures
- Sexual: Unwanted physical contact or sexually abusive comments
- Homophobic: because of, or focussing on the issue of sexuality. Homophobic, biphobic and transphobic (HBT) bullying is unacceptable

- Verbal: name-calling, sarcasm, spreading rumours, teasing, abuse and threats. Ridiculing an individual.
- Cyber: All areas of internet, such as email & internet chat room misuse. Mobile threats by text messaging & calls. Misuse of associated technology, i.e. camera & video facilities

We recognise that some groups of pupils may be more vulnerable to bullying, including:

- Looked After Children
- Gypsy, Roma and Traveller children
- Children with Special Educational Needs or Disabilities (SEND)
- Children from ethnic minorities
- Children entitled to Free School Meals
- Children for whom English is an Additional Language
- Children who are perceived to be gay, lesbian or bisexual

Signs and Symptoms

A student may indicate by signs or behaviour that he or she is being bullied. All adults should be aware of these possible signs and that they should investigate if a student:

- is frightened of walking to or from their school
- doesn't want to go into vulnerable areas of the school i.e. toilets, library, dinner hall
- is unwilling to go to school
- becomes withdrawn, anxious, or lacking
- changes in behaviours

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

Cyber Bullying

Specific consideration needs to be taken for cyber bullying. The following additional considerations will be made:

- Take all available steps where possible to identify the person responsible. This may include:
 - Looking at use of the school systems;
 - Identifying and interviewing possible witnesses;
 - Contacting the service provider and the police, if necessary.

- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:

- advising those targeted not to retaliate or reply;

- helping those involved to think carefully about what private information they may have in the public domain.

Preventing Bullying

The whole school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly. ○ Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Celebrate success and achievements to promote and build a positive school ethos.
- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school/student council, etc. ○ Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week
- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.
